**April 17(Tue.)-20(Fri.) 2018, KINTEX, KOREA**

### **Korea's leading and largest dedicated international process & packaging exhibition**

The 5th largest packaging exhibition in the world is taking place at the Korea International Exhibition Center (KINTEX) from 17 to 20 April 2018 organized by Korea Packaging Manufacturing Association (KPMA) and Kyungyon Exhibition Corp.

With a scale of scheduled 1,400 companies from 25 countries and 4,500 booths, KOREA PACK2018 will cover such main product groups as Packaging Machinery, Packaging Materials & Containers, Package Printing Machines, Packaging Inspection Equipment, Packaging Processing Machinery & Equipment, Package Design, Services, Food Processing Machinery and Logistics System & Equipment. KOREA PACK is distinguished by its unique breadth of products and services and the unparalleled internationality of its exhibitors and visitors alike. The Ministry of Trade, Industry and Energy selected KOREA PACK as one of the "Global Top Exhibition" as it has the possibility of becoming one of the globally renowned exhibitions with competitiveness. At this exhibition, visitors can realize that the packaging industry is the unsung helper of global manufacturers.

Last KOREA PACK attracted more than 50,000 trade visitors, 64 percent of whom said they were involved in decision-making processes in their companies.

70% of Exhibitors submitted the application form, already. There are leading Korean packaging manufacturers such as SEJONG PHARMATECH, Hoong-A, COUNTEC, etc. and Global companies such as ROMMELAG, ROMACO, BAUSCH & STROBEL, HP, etc. at KOREA PACK 2018. Especially, over 70 companies of Korea Packaging Manufacturing Association (KPMA)'s members are going to show the innovating and the latest packaging machineries and technology at KOREA PACK 2018.

In addition KOREA PACK2018 features leading industry seminar and conference such as Korea Star Awards, PAC 2018 (Packaging Association Conference), Food·Pharmaceutical·Cosmetic Plant Manager Discussion Meeting to present and discuss latest industry developments, trends and techniques for the packaging industry. Thousands of key actors in related industry gather for these seminars & conferences.

### **"THE NETWORK", A brand new grouping, serving the international development of processing and packaging launches!**

The organizer of KOREA PACK has cooperated with media partner and other organizers to promote KOREA PACK globally. KOREA PACK is already working closely with leading industry shows including PROPAK, SINOPACK, SWOP, JAPAN PACK and so on. Especially KOREA PACK has become a member of "The Networks", a group comprising of 11 international packaging events from 7 different countries. To capitalize on this and promote the internationalization of the sector, KOREA PACK has decided to join The Networks to expand its international reach and encourage the sharing of information and experiences.
